Minutes and meeting notice of the
Victor Trail Association

The October Monthly meeting of the proposed Victor Trail Association was called to order by Acting Chairman Gil Holtz who is also the Chairman of the Victor Conservation Board. Chairman Holtz gave an opening statement expressing the Conservation Boards desire to have a Trail Association established in Victor which will provide property owners an opportunity to voluntarily allow a public walkway through parts of the Township. This will allow the public an opportunity for recreation and to see and appreciate the unique, scenic and Historic qualities of our town. The Chairman reviewed the September 10th informational meeting and the Sept 22nd organizational meeting.

The Nominating Committee comprised of Chairman Holtz, Roberta Lockwood and Norman Smith, presented the following slate of Officers: Chairwoman Marcia Bryan, Vice Chairman Harry Lloyd, Treasurer Dick Ottalagana and Secretary Bernard McCarthy. There being no nomination from the Floor a motion was made and seconded to close the nominations and for the Secretary to cast one ballot for the Slate. This was unanimously approved.

The meeting was turned over to Chairwoman Bryan, with her first item of business being to establish the time for the next regular meeting. Discussion followed. It has been proposed to use the 4th Tuesday of each month which makes the next meeting on Tuesday November 26th at 7:30 P.M. at the Victor Town Hall.

Chairwoman Bryan then requested authority to appoint a By-Laws Committee. Approval was given. She selected the following: Attorney Alan Lockwood, Ruth Nellis, Michael Pickering and Chauncy Young. The slate was approved by attending members. By-Laws discussion followed and a suggested name of "The Victor Hiking Trail Association" was offered. However there are several other suggestions and it was requested all other suggestions be brought to the November meeting. The by-law committee and the officers of the Trail Association will meet jointly to draft the by-laws, at a meeting time and place to be determined.

Ron Czadzeck suggested walks be planned for some of the possible trails. Discussion followed. It was decided to walk a portion of Crescent Trail first so we can get pointers on existing trails, trail markers, etc. This walk will be lead by Carol MacInnes, with those wishing to participate to meet behind The Silo store at Eastview Mall at 9 A.M. Saturday Nov. 2nd.

An afternoon walk of the Railroad right of way in Victor will be at 1 P.M. Sat Nov 2nd with those wishing to participate to meet at the Fishers Fire Hall.

Roberta Lockwood volunteered to be publicity chairwoman.

It was requested the minutes of the October meeting containing information of the officers, the by-laws committee and the next meeting date be mailed to all members about two weeks before the meeting.

The treasurer reported a zero balance. Fund raising was discussed. The Conservation Board is presently financing the mailing cost as a part of their effort to get the project in motion.

There were 28 in attendance.

The meeting was adjourned at 8:30 P.M.

Respectfully submitted

Bernard McCarthy
