**National Trails Day– June 6**

This year’s celebration will take place in the Hamlet of Fishers.

The festivities will begin at 8:00 a.m. at the Fishers Firehouse on Main Street Fishers with a continental breakfast. The regular fare of coffee, juice and pastries will be available.

At 8:45 a.m. there will be a formal dedication of the Auburn Trail and Connections project. This project began five years ago with a ground breaking at this same location on our National Trails Day, 2004 event. Now the finishing touches are being put in place with bollards at the road (Continued on page 4).

Most hikes are relatively easy and take 2-4 hours. Always bring a bag lunch or snack and something to drink. Dress for the weather. We rarely cancel due to inclement weather.

We usually car pool to the trailhead. If gas gets expensive again, expect to share the cost with the driver.

Past Hikes

Jan. 10– Harriet Hollister Spencer State Recreation Area. The conditions weren’t great for skiing, but we managed to stay on the trails, both groomed and ungroomed, and enjoy the cool morning. After lunch in the parking lot some skied additional trails and one snow shoed the trails.

Feb. 14– Mendon Ponds Park. The snow was gone for this season, so we hiked for over two hours on the trails around 100 Acre Pond. There were hundreds of Canadian geese in the open water of the pond. It was a sunny, crisp morning so everyone was glad to get back to the parking lot and warm up in their cars.

Mar. 14– Salmon Hills Outdoor Adventure Center. This is the place to go cross-country skiing and snowshoeing when there is no snow in our area. The farther north you travel on I81, the more snow you see. Then you get off at Pulaski and head east. The farther east you travel, the higher the snow banks. Finally you get to the resort and you can’t believe the amount of snow and the beautifully groomed wide trails. There are trails for all abilities cut through the woods. There are yurts that you can rent for the week or the weekend. And there is a restaurant/lodge to get you warmed up. Next year we need to come for the weekend.
4:00 p.m. For the ambitious road bicyclists, they can ride their bike back to Victor and save $5.00.

Cost is $15.00 per person for a one-way ride, or $20.00 for the round trip. There is no cost for the guided bike rides or hikes. There will be opportunities to grab lunch at a local restaurant or you can bring a bag lunch with you. This is a great way to spend a Sunday in June in the Finger Lakes and support Victor Hiking Trails. We hope you will be able to join

This will also be the beginning of the Auburn Trail extension project, which will continue the Auburn Trail to Powder Mills Park.

After the dedication the hike will begin its journey over to Fishers Park for a tour of the trails and a sneak preview of what is being planned for improvements to the park. This will be about a 1.5 mile hike and take about an hour, returning to the firehouse for a snack.

The second leg of the hike will be on the Auburn Trail to Probst Road and back. Along the trail we will point out planned improvements, including the replacement of the collapsing stone culvert north of Fishers Road. This three-mile hike will get us back to the firehouse in time for a pizza lunch.

The last part of the hike will take us southeast on the Auburn Trail to Lehigh Crossing Park to view the new trails recently completed in the park as well as two new trails that connect to the Lehigh Trail. The trek will follow the Lehigh Trail back to the firehouse.

**2009 Trail Projects**

The VHT board of directors has identified a number of trail improvements to be scheduled for the 2009 season. They will require trail clearing, installing signs, building small footbridges and building some boardwalk.

We need volunteers to help on one or several projects. If you have the skills we are looking for, call our message line and leave your name and phone number (585-234-8226) so we can discuss the details.

**ADK Outdoor Expo, June 13**

VHT will again have a booth at this great venue for exploring your interest in outdoor activities. If you ever wanted to try canoeing or kayaking, this is the place to come. If you want to learn about camping, mountain biking, road biking, geo caching or places to hike, this is where you will find the information.

Stop by our table, pick up some trail maps, and say hello. We will be there from 9:00 a.m. to 4:00 p.m.

Trail Maintenance 2009

We need volunteers to help with trail maintenance! We meet Wednesday evenings at 6:00 PM and most Saturday and Sunday mornings at 8:00 AM, from May to September. Volunteers should come equipped with sturdy shoes and proper covering against poison ivy. If you have them, bring pruning shears and a small pruning saw or loppers, or we can supply you tools. The work usually lasts about an hour. Please feel free to work all or just part of a shift. Sometimes we cancel due to rain and then shift the schedule. Please call if you are unsure where we will be meeting.
